Good afternoon, Ladies,

Several members of the Transition Team - David Schnare, Justin Schwab, and Layne Bangerter have asked for a briefing on the Pebble mine 404 permit. Michelle would like to do it this week, if schedules allow. Would 9:30 am PST/12:30 pm EST work for your executives on Thursday, February 23rd? Alternate times (in PST) we could do 10 am or 1 pm on the 23rd, or 10 am on the 24th. We can also look at next week, although Michelle will be traveling on Monday and Tuesday to the Salish Sea Conference.

Please advise and thanks so much,

Linda E.
